

North Heath Community Primary School
Leadership and Management Information for Parents

THE GOVERNING BODY

The governing body act corporately to support and challenge the leadership and management of the school. The full governing body help us to:

- Reflect on our practice
- Make child – centred decisions
- Shape the direction of the school
- Monitor school development
- Support and challenge attainment and progress
- Develop a rigour and depth of thinking
- Engage in an effective self review process
- Set priorities and policies
- Monitor investments

Two sub committees feed into full governors.

HEADTEACHER AND SENIOR MANAGEMENT TEAM

The internal organisation of the school is the remit of the Headteacher. The Headteacher is closely supported by the Deputy Headteacher and the Senior Management Team. Through the School Development Plan, they lead on:

Teaching and Learning Every Child Matters Self Evaluation Spiritual Moral Social and Cultural Aspects of Learning Behaviour Management Performance Management Continuous Professional Development Race Equality Equal Opportunities Planning and Preparation Release Timetables Staff Induction
--

Each member of the Senior Management Team leads and manages a Curriculum Group. These groups work collaboratively to action and monitor school improvement in different areas. They report on their impact three times a year to the headteacher and governors.
