Friday 05 March 2021
Newsletter 20

Dear Parent/s / Carer/s

Friday 5 March 2021

Full Opening

Full attendance of all pupils is mandatory from Monday 8 March 2021 and the attached risk assessment has been agreed in preparation. To make it easier to work through, all updates are in blue.

After an absence from site of 38 teaching days for around 250 children, we simply cannot wait to have everyone back in!

Please make sure that you are familiar with the organisation set out in the previous newsletter before you set off – schools still need to be run in very different ways.

We all need to continue to be vigilant at all times – please do not send your child/ren in to school if they are showing symptoms of Covid – 19.

Home Lateral Flow Covid – 19 Tests for Families

There is a lot of misinformation regarding home testing for families. The full information has just been sent to us this afternoon and is attached for you in a letter from the Interim Director of Public Health, Dr Tony Hill.

Red Nose Day Friday 19th March 2021

This year, the children are going to be challenged to be creative and design and make their own red nose. This will be completed in class and the children will then be able to share their creations with their peers during a virtual Red Nose Day Quiz. All of the children will receive a certificate for taking part.

Due to Covid 19, we will not collect cash donations, but if you would like to donate to this cause, please visit <https://www.comicrelief.com/rednoseday>.

Finally, here's wishing everyone the best possible weekend and we are delighted to say, "See you all on Monday!"

Kind regards

M Gildea

Headteacher
