

# NORTH HEATH COMMUNITY PRIMARY SCHOOL

## ERICA WAY HORSHAM WEST SUSSEX RH12 5XL

Friday 12 March 2021  
Newsletter 21

Dear Parent/s / Carer/s

Despite the mixed weather, it has been such a delight to host all pupils on site once again. The excitement could be felt from the very first minute, with energy levels and smiles lovely to witness in class and at playtimes.

### **Library**

As you know, we've been working on the library project for some time. Special thanks go to our FONH for their £4000 donation and Miss Head for leading the project. There is still much to do as we continue to develop the resources with the help of WS Library Services and we very much look forward to the day when a change in guidance allows access for all pupils. Meanwhile, we hope that you enjoy the attached photographs!

Next on our list is the full redecoration of Y6 Mulberry and the resurfacing of the trim trail area on the top playground, which isn't in the best of health.

### **Reminders and Updates**

COVID-19 data updates for children and young people is attached for your information. With schools now opening up fully, things are undoubtedly starting to feel different and for many weeks now rates have been steadily declining.

It is important to remember that the virus is still with us and cases may well rise again, hopefully less rapidly than previously now there are many mitigation measures in place.

We can all play our part in preventing the spread of the virus and it is especially important for us all to keep following the current guidance.

We are duty bound to minimise any possible lines of infection, so remind all families to leave the playground as soon as you've picked up. Unfortunately, children should not be running around playing with each other before or after school.

Finally, thank you to all Parent/s/Carer/s for keeping their distance from classroom doors this week – this has really been appreciated by our staff and families who have previously expressed concerns.

Kind regards

M Gildea

Headteacher
