Dear Parent/s/Carer/s,

Newsletter 3

It has been such a delight to have a full school once again and every year group is making pleasing progress with their learning and new school routines. With assemblies, lunches, outside play, meetings, sports coaching and music tuition all going ahead this week, it has been a real pleasure watching our school spring to life. Whilst the organisation may be a little different, we are looking forward to discussing how well your child/ren have settled during our parents' evenings on 12 and 14 October.

We are also looking forward to hosting a small parent/carer audience once again for the Y6 Fairthorne and Y5 Sayers Croft assemblies. Please note that these are for adults and elder siblings only. Younger siblings get a chance to see the assembly during the school day.

In site news, the scaffolding for the triple mobile will disappear this weekend and the final guttering fixed on Monday. The contractor has also been asked to repair some of the cracked flagstones caused by their deliveries!

Connectivity

We have several 'tablets' available should your child/ren require a device for home learning, especially if there is a need to self-isolate. Please feel free to call the office from next week if you feel this offer would be of help to you.
