

# NORTH HEATH COMMUNITY PRIMARY SCHOOL

## ERICA WAY HORSHAM WEST SUSSEX RH12 5XL

Friday 5 November 2021

Dear Parent/s/Carer/s,

### Newsletter 8

You will all be aware that Covid – 19 cases are rising rapidly in Horsham. We have started to take delivery of large (and very quiet!) air filter units and are distributing them across all classes. Whilst they cannot replace fresh air, they will help purify existing air, which will help, but this is not enough.

Whilst we cannot give a precise date, **if cases continue to rise** across our school, or if we have what is considered an outbreak in one class, the following measures will unfortunately have to come into place:

1. Junior hot meals and Year 2 hot meals will be eaten in class
2. YR and Y1 hot meals will be taken at opposite ends of the hall
3. All packed lunches in Y2 – 6 will be eaten in class
4. Any internal assemblies will become virtual
5. Year groups will be bubbled inside school during lesson time
6. Due to number 5, Christmas assemblies will be recorded
7. Other planned events that promote the mixing of bubbles will be cancelled

### Book Party Reminder

This link <https://book-parties.scholastic.co.uk/party/north-heaths-christmas-book-party> will take you straight to our own online shop with an amazing selection of books. There are lots of seasonal goodies on offer, too. When the party is finished, North Heath School will receive a voucher for 10% of the total sales to spend on books for school! The book party ends at midnight on Friday 10th December, so be sure to get your orders in before then!

### Notes

- Please label all school uniform – it saves so much time when trying to return any lost property
- Dogs are not allowed on site
- Poppies are for sale in school as we build up to Remembrance Day on 11<sup>th</sup> November

### Fireworks

Finally, if you are celebrating Bonfire Night, do enjoy yourselves and make doubly sure that everyone comes back in to school unharmed on Monday.

Kind regards

M Gildea

Headteacher
