

PROGRESSION OF DESIGN & TECHNOLOGY VOCABULARY

MASTERING TECHNIQUES VOCABULARY

	YR	Y1/2	Y3/4	Y5/6
DESIGN	Draw, label, plan, use	<ul style="list-style-type: none"> criteria, develop, example, ideas, materials, model, purpose, research, template, use 	<ul style="list-style-type: none"> adapt, annotate, application, brief, consumer, criteria, cross-section, diagrams, organise, product, prototype, target audience, test 	<ul style="list-style-type: none"> aesthetics, annotated sketch, design brief, design specification, function, innovation, mock-up, purpose design brief, research, user
TECHNICAL KNOWLEDGE & MAKING	<ul style="list-style-type: none"> make, build, combine, join, shape, tools, fold, fix, cut, tape, glue, stick, strong, attach 	<ul style="list-style-type: none"> accurate, attach, decorate, features, measure, secure, sketch, stable, stiff 	<ul style="list-style-type: none"> adhesive, stitch, dimensions, durable, fastening, finishing off, form, hem and turn, lattice, materials, mould, needle, packaging, presentation, structure, template, thread 	<ul style="list-style-type: none"> axle, battery, circuit, conductor, drive, electrical system, frame structure, gear, insulator, mechanical system, motor, pattern pieces, permanent, pulley, reinforce, rotation, seam allowance, stiffen, strengthen
EVALUATING	<ul style="list-style-type: none"> better, change, different, dislike, improve, instead, like, next time 	<ul style="list-style-type: none"> adapt, alter, evaluate, finished product, future, modify, original, prefer, progress, purpose, useful 	<ul style="list-style-type: none"> alter, analyse, assess, develop, edit, effective, function, improve, improvement, outcome, successful, test 	<ul style="list-style-type: none"> alternatives design criteria, effective, fit for purpose, function, functionality, models, quality, end user satisfaction
COOKERY				
	<ul style="list-style-type: none"> wash, clean, recipe, spoon, cut, mix, knife, healthy, unhealthy 	<ul style="list-style-type: none"> ingredients, recipe, hygiene, prepare, grater, zester, juicer, masher, peel, measure, mix, rub, beat 	<ul style="list-style-type: none"> savoury, whisk, crush, knead, creaming, balance, millilitre, gram, preparation, combine, presentation, texture 	<ul style="list-style-type: none"> combine, protein, carbohydrates, adapt, refine, substitute, appearance, accurate, calculate, scale, palatable
