Dear Parent/s/Carer/s,

Newsletter 8

Parent Voice

Happy New Year, welcome back and thank you for your parent/carer survey responses, which we have started to read and analyse. Any further responses are welcome – please hand them to the teachers next week.

Looking back, we do hope that you enjoyed the Christmas performances. There was a lovely community feel at St Mark's and the staff and children in every year group deserved all of the praise you gave them.

Pupil Voice

We seek to ensure that we listen carefully to pupil voice at North Heath. Last term, we were delighted to reinstate our Safeguarding Survey for Y3 – 6. The analysis is attached.

Governor Voice

Finally, attached are the details you will require regarding our parent governor vacancy. With new projects just around the corner, it is an exciting time to help us continue to move things forward for our pupils. If you feel that you have the time, interest and skills to offer then your nomination must be received in the school office by 1.00 PM on Friday 20 January 2023.

All applications are welcome!

Kind regards

M Gildea
