

NORTH HEATH COMMUNITY PRIMARY SCHOOL

School Values

We have developed a vision for the school identifying our key values. With input from a range of different members of the community, we have decided upon the following school values:

Be Kind, Be Creative, Be Courageous

We are pleased with its simplicity and how it succinctly sums up many of the elements we value for our pupils at North Heath. We then used these values to develop this ambitious vision statement:

We aim to nurture kind hearts, creative minds and courageous spirits – empowering every child to discover their unique talents, embrace opportunities and grow into confident, ambitious and responsible members of our community.

Be Kind, Be Creative, Be Courageous

North Heath Community Primary School is committed to safeguarding and protecting the welfare of children and expects all staff and volunteers to commit to this.
